**COMMITTEE: INNOVATION, GOVERNMENTAL RELATIONS, AND COMMUNITY ENGAGEMENT**

**LINK TO STRATEGIC BLUEPRINT: INFORMED, ENGAGED AND EMPOWERED STAKEHOLDERS**

Angelina Green is a highly talented 8<sup>th</sup> grade student at South Miami Middle School and Center for the Arts and a proud resident of the City of Doral.

Angelina developed her passion for music at the early age of 5 when she taught herself to play the guitar and by the time she entered school she knew how to play the ukulele and the violin. By the age of 9, Angelina was participating at a variety of vocal shows including performances at local fairs, performing the National Anthem at a Marlins Game, and competing in Telemundo's "La Voz Kids." She is currently taking classes in piano and musical theory, and is beginning to compose her own music.

In 2014, Angelina received the Dreamer Pass from the Little Dreams Foundation, a foundation established by Orianne and Phil Collins which benefits underprivileged kids in the areas of music, sports, and arts. She is currently an ambassador for the foundation as one of its many successful alumni. Through the foundation she hopes to inspire all the kids that are going through hard times in life and help them to overcome obstacles using music like she did.

Angelina dreams of one day being on Broadway and is part of the Theater and Drama Magnet Program at her school and has won several awards including the Florida State Junior Thespian Competition where she received the Critics' Choice Best in Show Award with her Solo Musical Theater performance.

Most recently, Angelina was part of Season 12 of NBC's America's Got Talent where she had the honor of receiving Heidi Klum's Golden Buzzer which automatically sent her to the live shows portion of the competition. Each judge can only use the Golden Buzzer once during the season. Angelina made it all the way to the quarterfinals earning her the spot as one the Top 8 contestants of the competition

It is a privilege to have Angelina as part of our Miami-Dade County Public Schools and she is to be recognized for her tremendous talent and numerous accomplishments.
